

TRI ARTS PROJECT FACT SHEET

Connect, Inspire, Create

WHO WE ARE

Tri Arts Project (TAP) was founded in 2022 to answer a rallying cry from the community: Castle Rock lacked and wanted a unifying center for the arts. For the next two years, TAP worked with its community, local government, businesses, and other art-focused nonprofits to make its mission a reality-- to provide a space for the education, creation, and presentation of the arts. Starting in September 2024, TAP opens its doors at the historic Cantril School Building: a home for artists, educators, students, and community members to gather together to make, teach, present, and appreciate all forms of art.

WHAT WE DO

One of our primary goals is to ensure that the transformative power of art is accessible to everyone in our community. We strive to provide a welcoming space where individuals of all ages and backgrounds can engage in artistic education, creation, and development under the guidance of our expert mentors. As we celebrate the grand opening of our new home, we are excited to offer a wide range of art classes, workshops, and rotating exhibitions. Through these initiatives, we aim to foster creativity, build community connections, and ensure that the arts remain a vital and inclusive part of life in Castle Rock.

HOW WE'RE DOING IT

TAP is operated by a dedicated Board of Directors to ensure our community has access to a diverse array of classes at an affordable fee. However, we must also turn to our community-- individuals and local businesses-- to help us in this cause. Supporting TAP is not just an investment in the arts; it's an investment in Castle Rock and Douglas County. By partnering with us, businesses can demonstrate their commitment to community development and cultural enrichment. As a supporter, businesses will be recognized as key contributors to a landmark project that promises to shape the cultural identity of our city, fostering an environment where creativity and commerce can thrive together.

OUR IMPACT

TAP has made a significant impact on its community as well as the larger Colorado arts ecosystem by enhancing access to the arts. Our establishment of the town's first art center at the Cantril School Building provides a place for artistic engagement, including a diverse range of classes, workshops, and exhibitions that connect residents of all ages and backgrounds. This thriving environment not only enriches local culture but also stimulates economic growth and strengthens community bonds. By partnering with TAP, businesses have a unique opportunity to contribute to this cultural evolution, support an emerging arts scene, and improve the quality of life in Castle Rock and Douglas County.

SPONSORSHIP

We offer a wide variety of opportunities for individuals, businesses, and foundations to fulfill their philanthropic, marketing, and business objectives through sponsorships and unrestricted contributions. For companies, supporting TAP can fulfill your charitable goals and build brand recognition and loyalty from a wide pool of supporters. Together, we can transform the cultural landscape of our city and leave an enduring legacy that will enrich our community for generations to come.
