Artist Participation Application

The “Creativity and Healthy Aging” event is designed to educate older adults about the health benefits of being creative as we age and to feature a variety of local artists who are 55+ to inspire others to engage in the joy of creative expression.

This event is planned for September 24, 2026, from 1:30 – 4:00 pm and will be held at the Philip and Jerry Miller Library, Event Halls A&B, 100 South Wilcox Street in Castle Rock.

The schedule for the event includes a 60-minute presentation on the importance of creative expression followed by 90 minutes for attendees to meet and talk with a variety of older adult artists about their creative journey. Interested artists must submit their completed applications to scdc.ardc@gmail.com by Friday, July 16, 2026. Each application must include a photo, video, weblink, or audio recording of an example of the artist’s work. All applications will be reviewed by the Seniors’ Council’s Leadership Team and applicants will be notified via email of the status of their acceptance.
